

PUBLIC NOTICE

Employers / Business Owners

Regardless of the type of industry or business, any employer or business owner conducting official business in the Territory of American Samoa is required by law to facilitate and secure the following:

- (1) Workers Compensation Insurance with an authorized Insurance Carrier.
- (2) Certificate of Compliance (or a Certificate of Non-Coverage for Exempted Employers) with the Commission.
- (3) Posting of both the secured Notice of Workmen's Compensation Coverage from the carrier, including the compliance certificate by the Commission, at the employer's place of business or employment premises.

Violation or Penalty:

- Failure to secure a valid WC Insurance – *Class A Misdemeanor*
- Violation to file and secure a Compliance Certificate – *Class A Misdemeanor*
- Notification for revocation of business license before DOC

All employers are subjected to provisions of the A.S. Workers Compensation Act. Ensure your business complies with all workers' compensation requirements and filing of the mandatory compliance certificate with the Commission.

Random site visitation is under enforcement
